

Dell UltraSharp 34 Monitor U3415W

Immersive panoramic view makes work comfortable and play fun

An immersive visual and audio experience

Enjoy an optimal viewing experience for work, videos, movies and even gaming on this ideally sized 34" 21:9 curved monitor. The curved screen maximizes your field of view and minimizes reflection so you can view images on your screen more comfortably. The wrap-around feel draws you deeper into the action.

- Cinematic clarity and sharpness thanks to:
 - WQHD 3440x1440 resolution
 - Consistent colors across a wide viewing angle
- Over 1 billion accurate colors with a wide 99% sRGB¹ color gamut.
- Rich engaging sound with integrated 18W speakers.
- Virtually borderless viewing with a stylish, thin bezel design.

Improved productivity and unrivaled usability

Adjust the monitor to view the screen the way you like, and easily work with multiple applications simultaneously to help boost your productivity.

- Ideal alternative to dual monitor setup with sharper (20% more pixels) WQHD resolution vs. two Full HD monitors.
- Enjoy enhanced viewing comfort with tilt, swivel, and height adjustable features.
- See the full 34", 21:9 image 60 Hz when you connect your PC via HDMI 2.0.
- Help improve productivity with easy windows organization from Dell Easy Arrange.
- Navigate across multiple applications from two different PC inputs with Picture by Picture and Picture in Picture features.

Reliable with an eco-conscious design

Choosing the Dell UltraSharp 34 Monitor means you'll get proven technology from the makers of the #1 monitor brand worldwide.*

- Enjoy peace of mind with Premium Panel Guarantee² during the 3 years Limited Hardware Warranty³ period.
- Gain productivity from minimal downtime with 3 years Advanced Exchange Service⁴.
- Designed with eco-conscious materials.⁵
- Meets the latest environmental standards.⁶

Thank you for making Dell Monitors

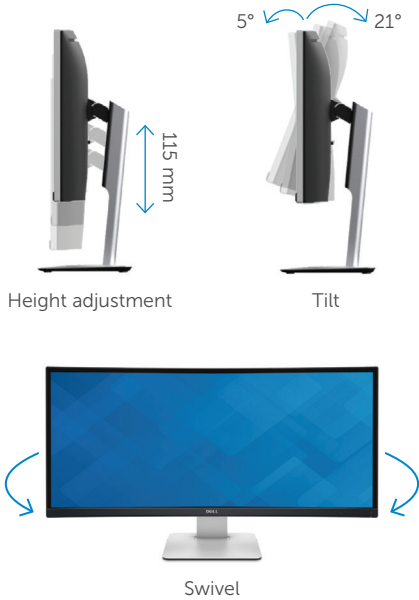

#1 worldwide*

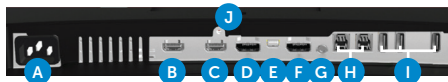

reddot award 2015
best of the best

Adjust the U3415W to fit your preferred viewing position:
