Lenovo

ThinkPad® E590 LAPTOP

Benefits for the IT Department

Productive:

Top-notch processors and graphics card for intensive multitasking and amplified performance.

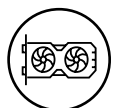

Secure:

The discrete TPM 2.0 chip encrypts confidential data while Windows Hello that works with the Touch Fingerprint Reader* ensures secure PC access.

Durable:

Reliable laptop with legendary ThinkPad durability can withstand rugged office usage.

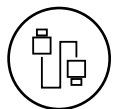

*Optional

Power-packed Performance: accelerate and optimize performance with up to 8th Generation Intel® Core™ i7 WHL Processor and Intel® Optane™ memory. The in-built AMD graphics card makes intensive content creation effortless.

Flexible Storage Solutions: spend less time waiting and more time doing with the dual drive storage option. Experience the responsiveness of a solid state drive (SSD) and gain the extra capacity of a hard disk drive (HDD) for storing multimedia files.

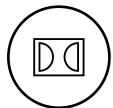

Convenient Connectivity: a wide range of ports including USB-C connectivity make the E590 compatible with any peripheral device in an office. It also enables faster data transfer.

FHD

User Comfort: experience smooth content creation or consumption with a full-HD IPS display. Plus, the ergonomic keyboard with optional backlight enables you to work effortlessly.

Superior Conferencing: experience enhanced VoIP calls with a Skype for Business certified dual-array mic, an HD-webcam, and Dolby® Advanced Audio™ stereo speakers.

Accessories

ThinkPad USB-C Dock

(PN: 40A90090US)

This universal docking solution ensures a high-performance workstation experience. Meet all your productivity needs, including video, data, and wired network, all while delivering continuous power to your laptop via a robust USB-C port.

Lenovo Essential Wireless Keyboard and Mouse Combo

(PN: 4X30M39458)

This durable keyboard and mouse combo plugs into any USB with wired reliability you can count on. A tough, waterproof membrane handles accidental spills without risking performance, plus quiet keys and an ergonomic full-size mouse offer comfort for all-day use.

ThinkPad Professional 15.6" Backpack

(PN: 4X40Q26383)

Streamlined yet versatile backpack for the on-the-go professional. This clean, modern design carries, protects, and withstands everyday wear and tear. The premium padding offers carrying comfort, while protecting devices from scratches.

RECOMMENDED SERVICES

Lenovo™ offers a comprehensive
portfolio of services to support and
protect your ThinkPad® investment
—so you can focus on your business,
not your IT.

Premier Support

Bypass phone menus and scripted
troubleshooting to access advanced-
level technicians with the expertise
needed to quickly diagnose and
solve problems.

Accidental Damage Protection (ADP)

Protect your investment from
operational or structural damage
caused by common accidents like
drops, spills, or electrical surges.
This fixed-cost, fixed-term protection
plan minimizes unexpected repairs
for predictable budgeting and
provides significant savings relative
to the cost of non-covered repairs.

Warranty Extension (1-year base, up to 3 years total)

Get a fixed-term, fixed-price service
solution to match the lifecycle of your
device and fit within your budget.
Purchasing an extension at the time
of a system purchase saves 15-30%
over the price of purchasing it
post-warranty.
