

Compulocks Space Rise Galaxy Tab A 10.1"Counter Top Kiosk 8"Black(TCDP01910AGEB)
 Compulocks Space Rise Galaxy Tab A 10.1"Counter Top Kiosk 8"Black - Mounting kit
 (enclosure,pole stand) for tablet - lockable - black - screen size:10.1" - for Samsung Galaxy Tab A
 (10.1 in)

Rise Stand Kiosk is a premium security display with adjustable screen angles and full cable management. Ideal for use as a retail display kiosk or information stand specifically in high volume areas. The Rise stand is our version 2.0 of a pole stand with additional features including extra wire through cutouts,so you can choose where to pull the cables out from. The biggest upgrade is in the screen functionality and adjust-ability. With the new Rise Pole stand you can tilt and flip the screen over and swivel the pole to rotate the entire unit. The Space tablet Enclosure features rounded edges and open corners for improved ventilation and allows for limited access to buttons and inputs. Included is a removable home button cover to restrict access to the main button. As with all our tablet lock and tablet lock devices,the tablet can be continuously charged while in the enclosure and have peripheral cables plugged in while mounted.

Key Selling Points

- Front and rear camera openings
- Continuous charging while mounted
- Through arm cable management
