Product Features

Minimize distractions

A 3-sided narrow border enhances your screen,so you can collaborate in online meetings or work on your latest projects in style.

Redesigned hinge

Your laptop lifts slightly off the table when open past a 135-degree angle,allowing for improved air circulation and a more comfortable typing experience.

Intelligent thermals

The Latitude 3301 is smart enough to know when it's in your hands,lap or on a desk. This allows it to intelligently adapt its thermal profiles to stay cool. It remains cooler on your lap and full power is unleashed when stationary on a desk for maximum productivity.

Be seen in any light

By using advanced noise reduction,video quality is significantly improved,especially in dim lighting conditions.

Never miss a word

With Waves MaxxAudio Pro,get an immersive audio experience that emulates an actual conference room to hear and be heard for better collaboration.

Power up

Keep the work flowing with a high-density battery and ExpressCharge,which allows an 80% charge in one hour.

Plug in

Quickly connect to peripherals with a full range of available ports,including USB Type-C,Type-A and legacy ports like HDMI.
