

Surface Go 3

Fact Sheet
October 2021

Meet Surface Go 3, the most portable Surface touchscreen 2-in-1.

Surface Go 3 is perfect for businesses, schools, students, and families. Designed to light up the best of Windows 11, Surface Go 3 is optimized for digital pen and touch, with a choice of a faster Intel® Pentium® or Intel® Core™ i3 processor, plus all-day battery life, tablet-to-laptop versatility, comprehensive Microsoft security, and optional LTE Advanced¹.

Top Features and Benefits

- **Built for everyone, ready anywhere.** Browse, work, play, learn, and binge watch anywhere on a high-resolution, 10.5" PixelSense™ touchscreen with adjustable Kickstand. Our most portable Surface PC is optimized for note-taking, sketching, and touch with Windows 11, and is an outstanding 2-in-1 value that can replace both your tablet and laptop. Available with optional LTE Advanced² for hassle-free connectivity.
- **More speed for everyday tasks.** Stay connected to the people you care about and run the apps you rely on, from Microsoft Teams, Outlook, and Word, to Minecraft, Disney+, and more* with your choice of faster Intel® Pentium® or Intel® Core™ i3 processor, 1080p HD front- and rear-facing cameras, optional LTE Advanced², and Windows 11.
- **Expect more from your tablet.** Surface Go 3 adapts to you throughout your day with Windows 11 — with instant tablet-to-laptop versatility, plus Surface Pen, touch, and even just your voice alone. Or adjust the Kickstand and attach a Type Cover* to comfortably type emails and papers.

- Keep everyone safe and organized.** It's easy to stay organized and safe with the best Microsoft experiences working together, including Windows 11 and Microsoft 365 apps optimized for Surface Pen and touch, and backed by Microsoft security with secured OneDrive cloud storage.* For schools and organizations, Keep data safe, and stay compliant and secure with built-in security and firmware-level modern management. Reduce complexity for IT with zero-touch deployment, one-click device manageability, and protection from Microsoft.
